PROFESSIONAL MECHANICAL KEYBOARD

Cherry mechanical key switch

4 extra orange key caps

Multimedia functionality

USB 2.0 Hub + Audio ports

## QPAD® | MK-80 PRO GAMING MECHANICAL KEYBOARD

QPAD MK-80 features the award winning Cherry key switches that give you maximum feedback combined with classic tactile keyboard feeling and acoustic confirmation of your every key stroke. The MK-80 is designed for pro gamers as well as typing professionals or enthusiasts.

QPAD MK-80 is built to last with its high quality materials and mechanical key switches that allow 50 million key strokes. With a full size keyboard layout in 3 sections, media keys and anti ghosting N-Key rollover, it's the perfect all round keyboard for any application.

QPAD MK-80 comes with a two port high-speed USB hub, headphone & microphone jacks and a detachable wrist pad. With four different backlight levels it allows you to find the right key, day or night, in any situation. You press it. You feel it. You hear it. You simply love it .
